

For too many children, the only future they see is one that's dimmed by poverty. But Nazarene Compassionate Ministries' child sponsorship program gives children a chance to create a future bright with possibility. Sponsorship has given hope to thousands of children around the world, but there are more children still waiting for someone to help them experience the holistic care and support of sponsorship.

You can play a part in changing a child's future for the better!

When you sponsor a child, your \$30 a month will:

- Provide education, life skills, healthcare, and spiritual nurturing
- Say to a child, "You matter, and Jesus loves you."
- Build a relationship through letters and updates
- Help a child gain opportunity for a better future

Children around the world are hopeful for a future bright with possibility.

Will you sponsor a child in need?

But Jesus called for them and said, "Let the little children come to me, and do not stop them; for it is to such as these that the kingdom of God belongs."

— Luke 18:16, NRSV
